Regarding the measures taken by the academy due to the extension of the state of emergency

As of February 2, 2021, the "State of Emergency Declaration for 10 Prefectures" has been extended to March 7, 2021. For the time being, our academy will continue to apply the measures based on the related document "Shingaku 2021-01 (2021.1.8)" to prevent the spread of new corona infection.

### 1. General

As a general rule, Japanese language education based on the "2020 Shintomi International Language Institute's academic calendar" will be conducted as scheduled with the current four-class organization.

### 2. Systems

The work system, the education system, and the procedures for dealing with close contacts and infected persons are basically as per the related documents. However, if the state of emergency is lifted, the work system of faculty and staff will restore to normal, and other measures will continue to prevent the spread of new coronavirus infection.

### 3. Others

- (1) Students will be given two masks a week, and the desks will be disinfected at the beginning of the first class.
- (2) Prepare face shields in each classroom so that students can use them as needed.

### 4. About the FY 2020 graduation ceremony

At the graduation ceremony, we will give priority to ensuring everyone's safety and will only hold a simple diploma awarding ceremony. We appreciate your understanding and cooperation.

- (1) Date and time: Wednesday, March 24, 10:30-11:30 a.m.
- (2) Place: Hanazono District Autonomous Hall
- (3) Participants: Only graduates and faculty members will be accepted, and some parts of the ceremony will be shortened.
- (4) Infection prevention measures: Body temperature check, thorough wearing of masks.
